Deck Building Dungeon Crawl by Isaac Meyer

## Premise

After generations, the whereabouts of the Artifacts had soon been forgotten, stories were told of their power, but none knew where they had been hidden. Before long, the magic started to die and it seemed that the Artifacts would be lost forever..... Until a young man came across a strange backpack containing a mysterious crown.....

## Overview

Awakened Artifacts is a cooperative deck building game in which players will work together to defeat terrifying enemies and treacherous bosses by building the most efficient and cohesive community deck. After each mission, players will unlock new cards to build their deck with in subsequent games. Take control of one of 12 Artifact Hunters, adventurers with unique abilities, to take back the Artifacts of Power from your enemies and bring peace back to the land.
